

AN UPDATE FOR PARTNERS OF FEED MY PEOPLE

We gathered for our last Partnership Gathering of 2024 on October 25. We had 25 Partners from seven different counties, as well as a guest who was ready to learn but came from outside our service area.

It was a day full of learning, being challenged, growing, and networking. A lot of great conversations led to new ideas and a new ways of thinking about how to best serve our neighbors.

We are so thankful for the fruitful time together, and we look forward to gathering in 2025!

Local Food Purchase Assistance Program

If you look on the Partner Hub you may have noticed we now have an additional line item for assorted produce. **DN701636 Produce Asst. *Order by the Pound*** is a new line item which includes produce purchased with dollars from the Local Food Purchase Assistance Program (LFPA).

This assorted produce is grown locally throughout Wisconsin and is available to our partners at no cost. We encourage our partners to take advantage of this awesome opportunity and order what they can distribute!
