Keep Your Eyes Peeled

"A great opportunity at a great time! Feed My People Food Bank has entered a great working relationship with a regional potato farmer. We have two large donations of potatoes coming in on Friday, October 27, and Friday, November 3. This will be over 19 pallets each week of high quality russet potatoes. These potatoes come at a perfect time for Thanksgiving season. We are thankful for such a large donation to help with the increasing need within our service area."

~Scott Sacrey, Food Resource Manager

Potato Recipes

Let's get cooking! With all the potatoes coming in, Tina wanted to share some recipes she found that sounded like they would be delicious. If you or your guests use one of the recipes, let her know how it turned out and if it will be a recipe you would make again!

Food for the Holidays

Insights from Fairchild Food Pantry

"In all the years I have donated food at the holidays, I brought what I thought they wanted, but have never asked. I am glad I did. Here are some things I learned from those in need."

1. Everyone donates Kraft Mac and Cheese in the box. They can rarely use it because it needs milk and butter which is hard to get from regular food banks.
2. Boxed milk is a treasure, as kids need it for cereal which they also get a lot of.
3. Everyone donates pasta sauce and spaghetti noodles.
4. They cannot eat all the awesome canned veggies and soup unless you put a can opener in too or buy pop tops.
5. Oil is a luxury but needed for Rice a-Roni which they also get a lot of.
6. Spices or salt and pepper would be a real Christmas gift.
7. Tea bags and coffee make them feel like you care.
8. Sugar and flour are treats.
9. They fawn over fresh produce donated by farmers and grocery stores.
10. Seeds are cool in Spring and Summer because growing can be easy for some.
11. They rarely get fresh meat.
12. Tuna and crackers make a good lunch.
13. Hamburger Helper goes nowhere without ground beef.
14. They get lots of peanut butter and jelly

- but usually not sandwich bread.
15. Butter or margarine is nice too.
 16. Eggs are a real commodity.
 17. Cake mix and frosting makes it possible to make a child's birthday cake.
 18. Dishwashing detergent is very expensive and is always appreciated.
 19. Feminine hygiene products are a luxury and women will cry over that.
 20. Everyone loves Stove Top Stuffing.
