

## Notice of Intent

This is to certify that \_\_\_\_\_

(Name of person, pantry, or meal program)

considers the product(s) you received as unfit for human consumption for one, or all the following reason(s)

1. Past expiration, use by, or acceptable date extension as provided by the USDA.
2. Quality issues: mold, mildew, rot
3. Packaging failure, which allows for contamination or bacteria growth.

The proper use for this product is as animal feed or composting.

By signing this, I understand and agree not to consume or distribute to people.
